A stylish name for a life style.

With our hands we design, manufacture, give life to boots that are unique in design, style and performance, made with exclusive Italian handcrafting care that blends tradition and innovation. As we know that every rider and every horse has a unique relationship, we want every Sergio Grasso boot to reflect the taste and personality of the person who wears it. The Sergio Grasso name is the name of all of us: a team united by passion shared in every gesture, every product, every day.

New ProComf.Evo[®] technology: getting over every obstacle.

Getting up high, going far: with every jump, every step, even a modern footwear helps achieve the best performance. Sergio Grasso, with ProComf.Evo[®], reinvents insole technology with a promise of long lasting comfort and performance at the highest levels. A combination of even more leading-edge materials makes for optimum breathability, shock absorption, and comfort with every step. Every step, every jump, becomes even easier, more pleasing, more gratifying with ProComf.Evo[®].

ProComf.Evo®:

Technology at your feet, for your feet.

1. SG-Vibram sole

Non-slip rubber sole for maximum stability and grip.

2. Insole

Cotton fiber insole is extra light, flexible, breathable and humidity absorbing.

3. Steel shank

Along midline of footbed provides maximum stability of foot and adds longevity to the life of the boot.

4. Footbed

High-density foam and micro-fiber cushioning system combination is shock absorbing, breathable, with antibacterial and odor resistant properties all to help prevent foot fatigue.

A close-up photograph of Michel Robert, a man with grey hair, wearing a black equestrian helmet with a white and blue face mask. He is wearing a black jacket over a white shirt and a striped tie. He is holding the reins of a brown horse. The background is a blurred white fence.

MICHEL ROBERT

- LINE -

A jump forward

The triumph of passion and style.

The perfect encounter between two talents – that of the great champion Michel Robert and that of Sergio Grasso – has led to a new line of competition boots. With their unique design and combination of soft leathers and latest-generation super-elastic materials, Michel Robert boots provide greater adherence to the ankle and sensitivity in contact with the horse. The sophisticated and essential design with its distinctive details provides a tailored fit, even for slender ankles and a low instep.

ProComf.Evo®:

Technology at your feet, for your feet.

1. SG-Vibram sole

Non-slip rubber sole for maximum stability and grip.

2. Insole

Cotton fiber insole is extra light, flexible, breathable and humidity absorbing.

3. Steel shank

Along midline of footbed provides maximum stability of foot and adds longevity to the life of the boot.

4. Footbed

High-density foam and micro-fiber cushioning system combination is shock absorbing, breathable, with antibacterial and odor resistant properties all to help prevent foot fatigue.

WALK&RIDE[®]

**Some follow the beaten track.
Some make tracks of their own.**

WALK&RIDE: technology and style, the new experience in comfort. The innovative low boot designed for long walks, which can be coupled with its matching gaiter to create a high-performance riding boot. Stunning ergonomic design, superb finishes, quality leather and materials, versatility and lightness. For walking, riding, flying high.

WALK&RIDE®

Quality and technology

The innovative **Walk&Ride®** sole is made by **Vibram®**, a world leader in the manufacture of high-performance rubber soles.

Features:

- 1 - Adapts to the biomechanics of the foot
- 2 - Ensures feel and grip on the stirrup
- 3 - Self-cleaning in mud
- 4 - Grip on heel and toe

SG 70300 - Dynamik

- Low boot with calfskin upper
- Elasticised leather
- Breathable lining
- Front zip fastening
- Vibram® non-slip sole
- Zip and sole in matching colours

See size chart

SG 240 - Flexy

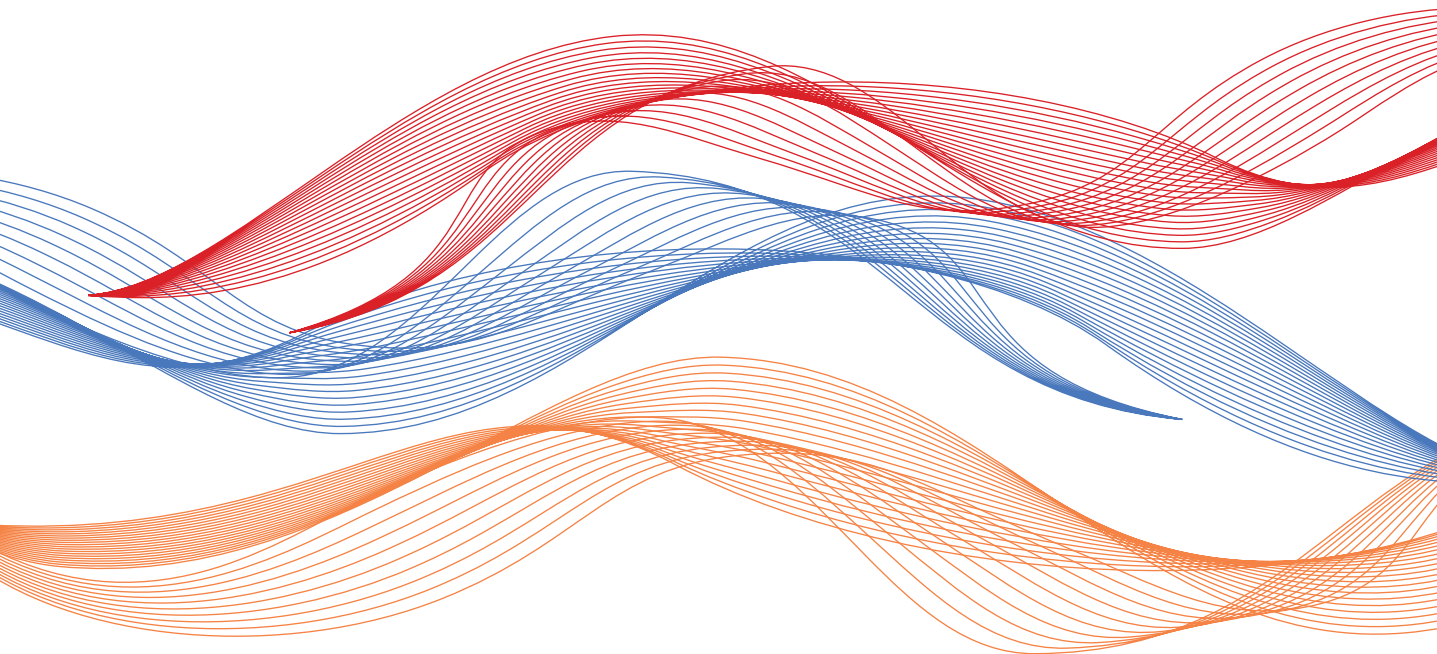

The Flexy gaiter fits onto the low boot Dynamik, turning it into a riding boot.

The purchase of very close-fitting gaiters is recommended for perfect wearability. If it does not keep the right position, the Flexy gaiter is however equipped with an elastic cord, to be applied as indicated.

Calfskin chap and elasticised leather at the side + external zip

WALK&RIDE®

SG Natù® line.

Quality, beyond all limits.

Only nubuck leather, with finishes in Full Grain calfskin: comfort, impermeability and sporting elegance, relinquishing nothing, not even during leisure time. The best of innovation, thanks to exclusive Natù® Technology.

Baxter: the perfect blend of design and performance. The highest award from the prestigious 2010 ADI Design Index is the greatest acknowledgement.

Carthago and Indigo paddock shoes are designed to take you everywhere, at the riding school, on a long trek or just for a pleasant stroll. Always in style.

Quality and technology

Natù®, the technology of comfort.

Sergio Grasso is now taking up a new challenge: that of creating a collection of footwear of extreme comfort, modern design and cutting-edge construction technology. Achieved by the exclusive Natù® system.

- 1 - Sole
- 2 - Gel shock absorber
- 3 - Steel shank
